1509-A.8.c: Time Out

Time out shall not be used for children under age 2.

A time out shall take place within sight of staff.

The length of each time out shall be based on the age of the child and shall not exceed 1 minute per year of age. For children over age six, a time out may be extended beyond 1 minute per year of age, if a signed and dated statement, including a maximum time limit, from the parent granting such permission, is on file at the center.

Finding:

1509-A.8.c Based on record review: The Provider did not have a Time Out policy as part of their Behavior Management Policy that clearly states ALL Time Out procedures that are used and all that are prohibited. The Provider's policy failed to indicate that children under age 2 could not be subject to time out, time out must take place in view of staff and the length of time out shall be based on the child's age not to exceed one minute per year of age. Provider corrected prior to Specialist departure.
